PROFESSIONAL SUMMARY

As an aspiring Computer Engineer with a passion for Web Development, Machine Learning, and Cybersecurity, I bring a blend of technical expertise and leadership. At KMC College, I led the Computer Club as its President, secured victories in hackathons, and actively participated in the KEC IT Club. My self-taught skills include Web Development (Udemy) and Python (Kaggle). Seeking an internship to apply my knowledge in Python, Django, HTML, CSS, JavaScript, React, Node.js, and more. A fast learner and proactive problem-solver, I'm ready to contribute to innovative projects.

PAST EXPERIENCE

Member, IT Club, Kathmandu Engineering College. Kathmandu, Nepal

May. 2023 - Present

Actively participating in the IT club, staying informed about industry trends and networking with fellow enthusiasts.

Club President, Kathmandu Model College. Kathmandu, Nepal

Apr. 2020 - Apr. 2022

- Orchestrated the Computer Club's activities, engaging over 3000+ technology enthusiasts, resulting in an increase in collaborative projects and a 25% rise in new member sign-ups within six months.
- Organized workshops, seminars, and coding competitions to enhance members' technical skills.
- Collaborated with faculty and students to promote computer literacy and innovation within the college community.

Head Organizer, KMC Techno Fest 2022, Kathmandu Model College. Kathmandu, Nepal

Mar. 2022 - Apr. 2022

- Led the planning and execution of KMC Techno Fest 2022, an inter-college technical exhibition held on Chaitra 18, 2078 (April 1, 2022) at KMC College, Balkumari.
- Coordinated six diverse competitions, including web development, code jam, and graphic designing, providing a platform for students to showcase their abilities.
- Collaborated with fellow organizers, faculty, and participants to ensure the event's success.

Organizing Committee Member, Cyber Security Workshop, Kathmandu Model College, Kathmandu, Nepal
Dec. 2021 – Jan. 2022

- Contributed to the successful planning and execution of the Cyber Security Workshop 2022, a virtual event that attracted over 200 participants.
- Collaborated with fellow organizers to ensure seamless logistics, engaging sessions, and valuable experience for attendees.

Hackathon Winner, Provathon 2020, CSIT Association of Nepal, Kathmandu, Nepal
Sep. 2020 – Oct. 2020

- Developed a web application that integrated a machine learning model to track users' heartbeats and detect potential cardiac arrests.
- Real-time health reports were displayed via a dashboard on the website.
- Collaborated with team members to create an innovative solution that showcased technical expertise and problem-solving skills.

EDUCATION

Kathmandu Engineering College, Kathmandu, Nepal
Bachelor of Science, Computer Engineering, Present

Kathmandu Model College, Kathmandu, Nepal – 3.71/4.0 GPA
High School, +2 Science, Aug. 2022

Rosebud School, Lalitpur, Nepal – 4.0/4.0 GPA
Primary School, Basic Education, Apr. 2020
